Egyptair Maintenance and Engineering
Cairo International Airport
Cairo, Egypt
Post office 02 Airport 1, Postal Code 11776 Cairo, Egypt

Attn: Abdel Aziz Fadel – Chairman & CEO

Aviation Partners Boeing (APB) is pleased to announce that Egyptair Maintenance and Engineering has been approved as an APB Blended Winglet Installation Center.

Egyptair has demonstrated that they have the Technical Expertise, Management Systems, and Facilities necessary to support installation of APB's Blended Winglet STC's on 737-300, 737-500, 737-700, 737-800, 737-900, 757-200, and 767-300ER Aircraft.

We are looking forward to a long and mutually beneficial relationship with Egyptair.

Best regards,

Jim Weekes
Senior Operations Manager
Aviation Partners Boeing
